Dear Sirs,

We are responding to your notification that the above mentioned exemption is due to expire on 7/31/2000. We are requesting an extension of the exemption for as long a period as possible.

The conditions relating to the granting of the original exemption are still the same as they were at the time of our original request for exemption and there are apparently no foreseeable changes in the future. A copy of our original letter or request is enclosed.

Please notify us that this extension has been granted. If you need something else from us, please let us know.

Respectfully,

Greg Bell, Director of Operations
